

# AVENUE HOUSE NEWS

March 2018

Welcome to our latest newsletter. After an exceptionally cold and wet winter it seems like the mornings are becoming brighter as spring approaches.

## Events over the winter

In addition to our regular activities, we have been lucky to have some wonderful visiting entertainers – highlights being Marie-France Riboulet playing the beautiful harp, Lawrence Kell playing the violin and Fran regularly playing the Piano, amongst others.

It was so nice to see so many friends and family visit Avenue House over the Christmas period and we hope that everyone had a great time.

Hopefully all have happily settled into life at Avenue House and already feel like one of the family.

## *Snowy Days*

It has been so lovely to see some snow over the past couple of days here at Avenue House.

Here are a few photos for you to enjoy...

*As some of you might be aware the staff at Avenue House are creating a Wishing Tree.*

*The wishing tree gives the residents a chance to add any of their wishes to a branch of the tree so that staff can try and help fulfil those wishes. It could be something like going to your favourite restaurant or eating fish and chips on the beach.*

*If you would like to add your wish to the tree please speak to any member of staff who will be able to help you.*

Judith has now moved to a nursing Home to be with Eric and closer to her family. She is settling in very well and we all wish her the best for the future.
