

AVENUE HOUSE - STATEMENT OF PURPOSE

5 Cotham Park North, Cotham, Bristol BS6 6BH

Residential Home owned by the West of England *Friends Housing Society Ltd* (known as *Friends Housing Bristol* or *FHB*)

AIMS

1. To provide high-quality facilities, respectful personal care and companionship for frail or isolated older people who are unable to live independently.
2. To value and respect all members of our community - residents, staff and volunteers - as unique individuals. This is in accord with our Quaker tradition.
3. To provide good working conditions, appropriate training and structured career development for our staff, and to run *Friends Housing Bristol* efficiently.

OBJECTIVES - To ensure that:

1. Residents feel they live in a friendly, caring, safe and supportive home, with a variety of activities and events, where families and friends are always welcome.
2. Residents are involved in preparing their Personal Care Plans, which are reviewed periodically and a key worker is appointed for each resident.
3. Residents are confident that their wishes and views will be taken into account as far as possible in the context of communal living. The privacy and dignity of each person is respected.
4. Residents know suggestions, compliments and complaints can be recorded in the Manager's office for discussion and action and that the *FHB* complaints procedure is listed in our brochure, displayed on communal notice boards and contained in residents' individual Residential Care Agreements. Quality assurance questionnaires are distributed once a year.
5. Residents have various opportunities to meet people on the management committee: they come to inspect Avenue House and talk to the residents once a month, there are 3-monthly Board Meetings held within Avenue House and an Annual General Meeting which is open for all to attend.
6. Staff are confident that their work and commitment are valued by the residents and the Board.
7. *FHB* implements its philosophy of providing equal opportunities: no one - resident, staff or volunteer, is excluded on grounds of ethnicity, religion or culture. Quaker Services are held weekly. Services led by local churches are held monthly. We aim to help residents access religious services of their choice.
8. *FHB* management follows the National Minimum Care Standards regulations and recommendations, and promotes best practice.

ADMISSIONS CRITERIA

We welcome both local authority and privately funded residents. We have a waiting list treated chronologically but preference is given to the Society of Friends. People applying to live in Avenue

House are shown around the home, and when a place is available a detailed assessment is made of their care needs. All residents moving into Avenue House have an initial one month trial period.

*Hotel Services include accommodation, food, drink, heating, lighting, laundry done on the premises and support services provided by our staff. Residents pay for personal items such as newspapers, toiletries, telephone, and additional services such as visiting hairdresser, chiropodist or optician.

All individuals are asked to pay the fees indicated above which have been referenced to a 'fair price for care' calculation using the model advocated by the Joseph Rowntree Foundation. Fees are normally collected on a monthly basis in advance by Standing Order.

Some local authorities pay less than our fees for those people whose capital falls below the Government-established threshold. In such instances, *FHB* seeks to receive the full fee from the local authority and/or the family members; but we have never asked a resident to leave our home because the local authority did not pay the full fee.

We provide places for people who are not funding themselves in full, the specific number being dependent upon the size of the gap between our fee and the Local Authority funding.

Fees will be reviewed in March every year.

KEY CONTRACT TERMS

When a person comes to live in Avenue House there is a one month assessment period before a contract is agreed. The contract can be terminated by one month's notice. Fees cease to be paid when a room is vacated and empty.
