A busy morning transplanting, weeding, watering & not forgetting the all important coffee break. We also tried to identify some flowers or who knowsmaybe weeds.

Decorating Tote Bags.

We had an enjoyable morning decorating Bags using Fabric Pens, Stencils & some residents made up their own Designs. It's lovely seeing the Residents making use of them around the home.

A fascinating country, epic landscapes, from shimmering beaches to lush jungles, snow-capped mountains and cactus-strewn deserts. We had Fact Files, Trivia & Quizzes, all about Mexican culture, music & food.
